Projects Lab´

Lab1: Identifying the Issue

Step 1: Needs that I see in my context?

Step 2: What did I gain in this TC?

Step 3: Checkpoint

- Am I passionate about working on the issue?
- Can I tackle the issue with the resources that I already have?
- Do I see learning points in this issue for myself?
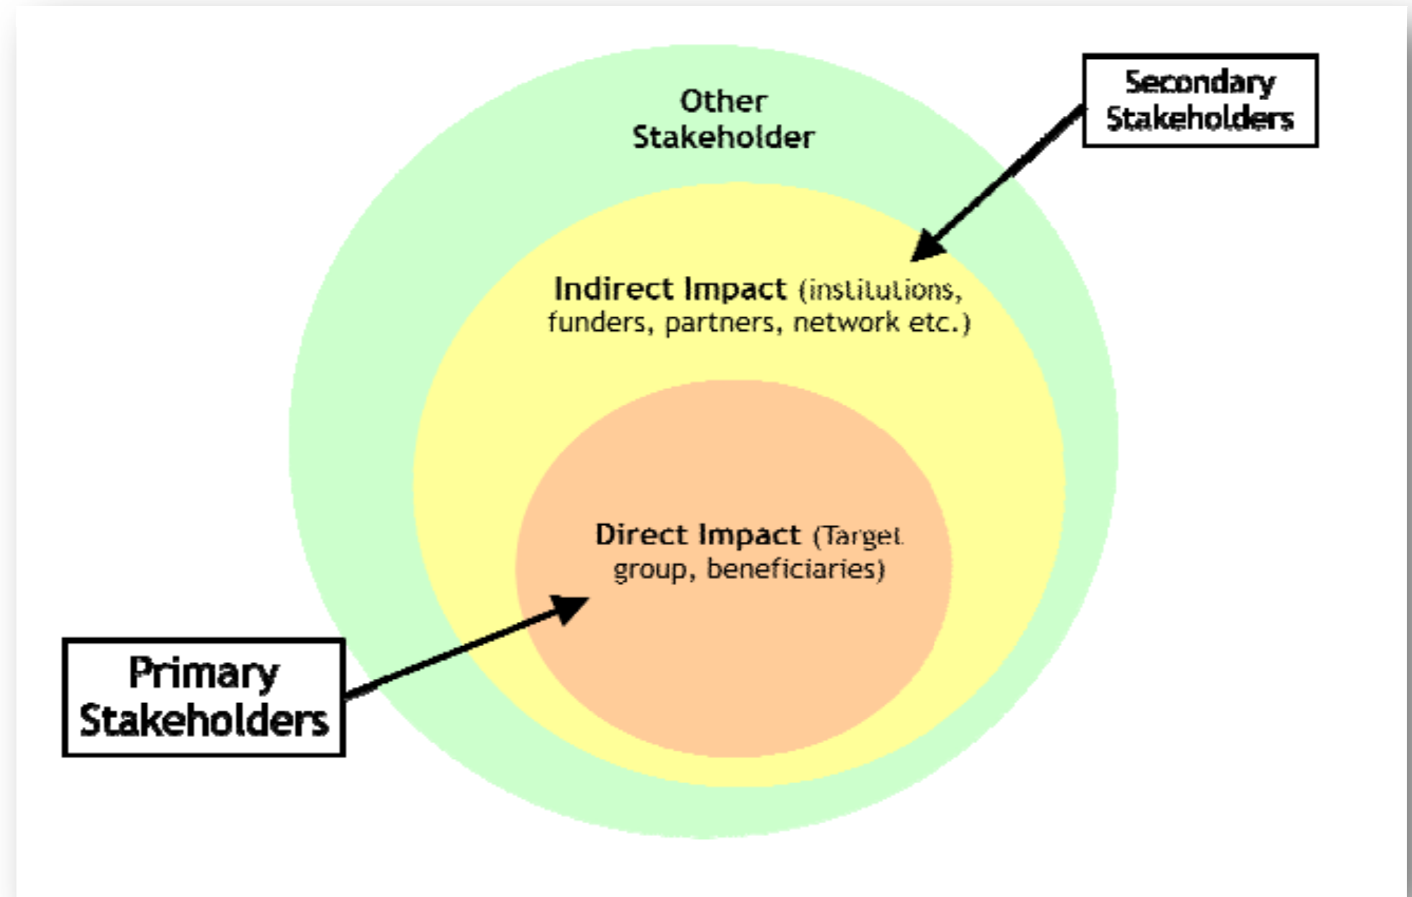

Lab2: Identifying Aim and Objectives

The problem tree

The effects of the core issue

The core issue

The causes for the core issue

The solution tree

The outcomes of reaching out the aim

The aim

The objectives to reach out the aim
